BRAND PROFILE

since
1956

Say collection has a line that combines the innovative approach and colorful identity of its designs with fashion and trends, liberates in details and stands out with its fabric quality.

say

Say is a family company founded in 1956. It operates in the textile sector. Until 1985, it continued its activities as a fabric manufacturer and since 1985, it has transitioned to the ready-to-wear sector.

Since 1985 until today, it has managed to become one of the leading brands of its sector in the fields of production, wholesale, retail and online sales and aims to grow itself day by day.

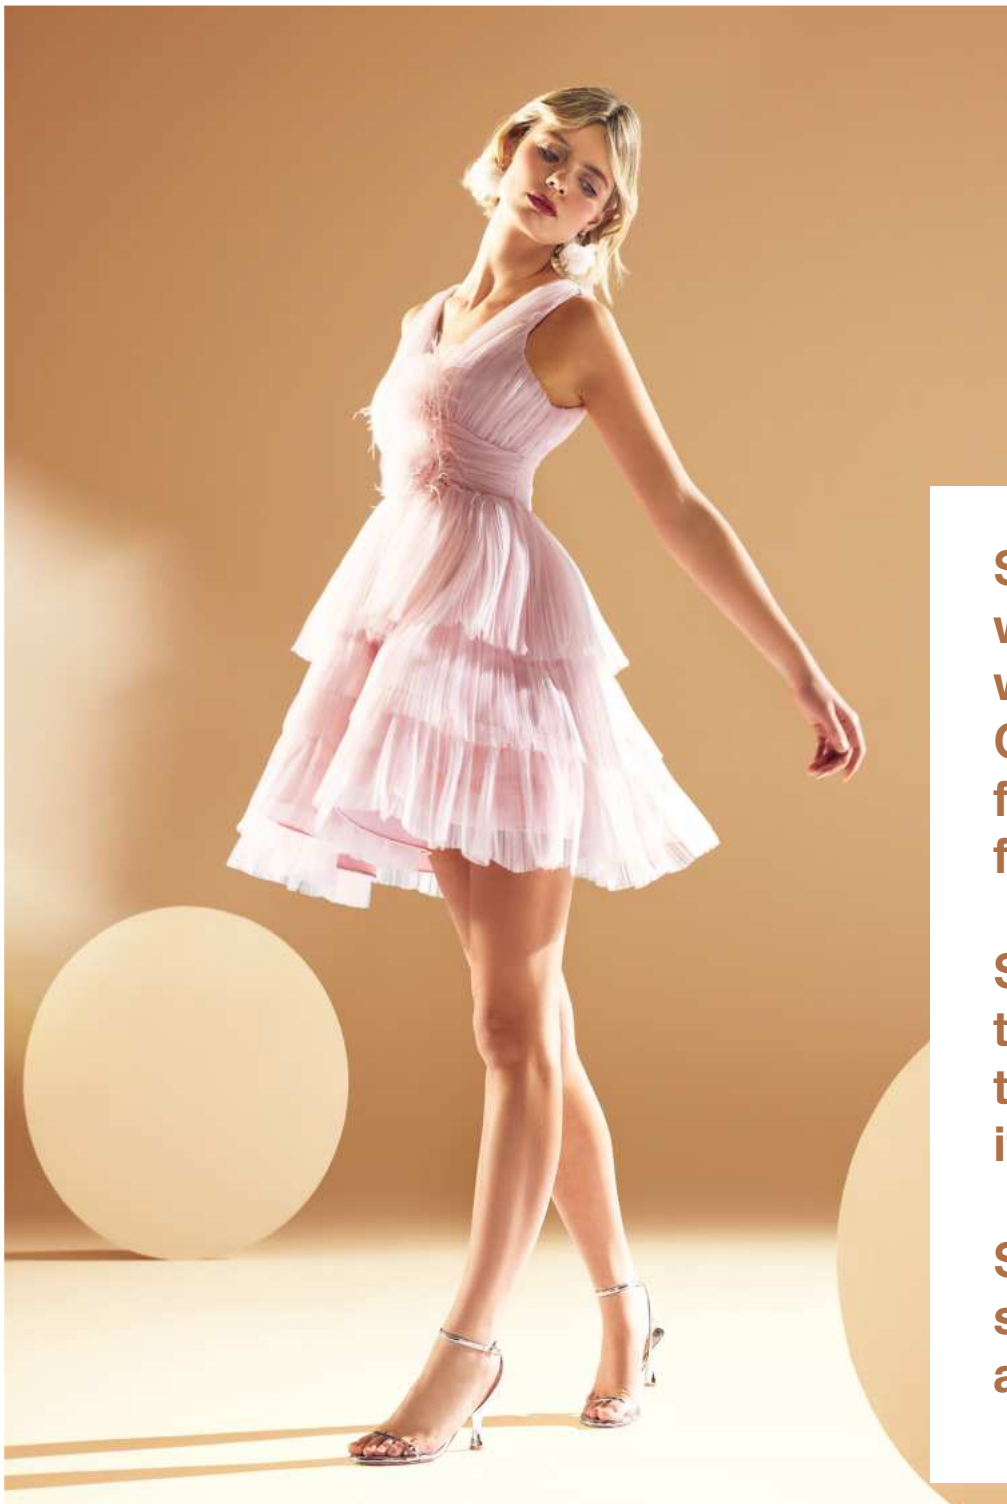

**Dynamic, young and feminine...
SAY finds a place in the wardrobe
of the urban woman with its original designs,
quality fabrics and elegant patterns.**

**SAY, which creates a harmonious silhouette
by combining naive lines with flashy details
in its collections, keeps its collection alive
by exporting to 51 countries. Aiming to be
always dynamic and inspiring with its expert
staff, SAY continues its adventure, which
started with wholesale sales, as an assertive
brand in the retail sector.**

say

Say collections are inspired by the nature of woman, the most creative species in the world.

Our design team combines this inspiration from the existence of women with quality fabrics and special details.

Say, which constantly renews itself and aims to be one of the leading brands of fashion, tells a different story in every collection with its ever-growing goals and team.

Say has a strong identity thanks to its original styles and bold lines. Say believes in woman and her own colorful world.
